Attn: Tom Lutterman

Subject: Attachment 2 – Eligible Applicant Documentation

Dr. Mr. Lutterman

In response to DWR's request for a written statement from Crescenta Valley Water District, the following is a response to Proposal Solicitation Package for the Local Groundwater Assistance Grant Program – Attachment 2 - Eligible Applicant Documentation.

1. CVWD is a local public agency as defined in CWC 10701(a), which states that, "local agency" means any city, county, district, agency, or other political subdivision of the state for the local performance of governmental or proprietary functions within limited boundaries.
2. The Crescenta Valley Water District (CVWD) was established as a County Water District in 1950 under Division 12 of the California Water Code, County Water District Law, and currently provides water and sewer service to 35,000 residents in La Crescenta and adjacent portions of Glendale, Montrose and La Canada-Flintridge.
3. CVWD has legal authority as a County Water District to enter into a grant agreement with the State of California.
4. CVWD will be entering into legal agreements with County of Los Angeles, Department of Public Works & Department of Parks & Recreation for the installation of surface water gauging stations in the Verdugo Wash and Dunsmuir Channel, installation of monitoring wells in CVC Park and performing infiltration tests to ensure performance of the project. However these agreements will not be used for tracking of funds.

If you have any questions or comments, you can contact me at (818) 248-3925.

Very truly yours,

CRESCENTA VALLEY WATER DISTRICT

  
Dennis Erdman, P.E.  
General Manager
